

Indiana Department of Natural Resources / Division of Water

30 Day Public Notice Report

The Department of Natural Resources is providing this report to satisfy the requirements of the "Procedures Concerning Certain Licenses Act", IC 14-11-4, and its associated administrative rule, 312 IAC 2-3. The application files are available for public inspection at the Division of Water's office in Indianapolis. Please contact the Division's Technical Services Section at (317) 232-4160 or the toll free number 1-877-928-3755 to make an appointment for file review. Photocopies may be made for a nominal charge of \$0.10 per 8 1/2 " X 11" copy.

A pre-action public hearing on an application may be requested by filing a written petition with the Director, Division of Water:

Michael W. Neyer, P.E., Director
Division of Water
Room W264
402 West Washington Street
Indianapolis, Indiana 46204

For a petition to be considered valid it must:

1. Contain the typed or legibly printed name and complete mailing address of each petitioner;
2. Be signed by a minimum of 25 individuals who are at least 18 years old and either reside in the county where the project will take place or own real property within 1 mile of the project site;
3. Affirm that each signatory to the petition satisfies the requirements of item 2; and
4. Identify the application for which the public hearing is being requested either by the application # or the applicant's name and the project description.

A petition which does not meet these requirements will be considered invalid and the hearing request will not be granted.

A person may request that the Department provide written notice of its action on an application by filing a written request with:

Division of Water
Room W264
402 West Washington Street
Indianapolis, Indiana 46204

The request must identify the application by either the application # or the applicant's name and the project description.

30 Day Public Notice Report

Application # : FW-22076

Stream : Unnamed Tributary Lake
Of The Woods

Applicant : Marshall County Drainage Board
Kevin Overmyer
112 West Jefferson Street, Room 205
Plymouth, IN 46563-1764

Description : Three existing regulated drains will be diverted south of their present alignment by excavating a new 5000' long drain across them and approximately 1500' downstream of its source at the lake. Also, the culvert about 700' upstream from the inlet of the unnamed tributary of Lake of the Woods near the upstream end of the project will be removed and back-filled. Details of the project are contained in information and plans received at the Division of Water on September 17, 2002 and August 19, 2002.

Location : Beginning at Isaac Sells Ditch approximately 1700' downstream of the outlet of Lake of the Woods, and continuing northeast for 10,000' to a point approximately 1000' upstream from the inlet of an unnamed tributary into the lake
DOWNSTREAM: near Bremen, German Township, Marshall County
W½, Section 7, T 34N, R 3E, Bremen Quadrangle
Quad Code: 4108642
UTM Coordinates: Downstream 4584375 North, 564550 East
UPSTREAM: North Township, Marshall County
NE¼, Section 12, T 34N, R 2E, Bremen Quadrangle
Quad Code: 4108642
UTM Coordinates: Upstream 4586875 North, 563425 East

Statute/Rule : Flood Control Act, IC 14-28-1, with the associated Flood Hazard Area Rule, 312 IAC 10

30 Day Public Notice Report

Application # : FW-22102

Stream : Kankakee River

Applicant : Danna Hoover-Henry
1107 West Bluegrass Road
Lake Village, IN 46349

Description : An existing 10' x 55' mobile home will be replaced with a single story 36' x 24' residential structure. The structure will be constructed in the same location as the existing mobile home. The lowest floor of the new structure will be built approximately 2.5' above the existing ground elevation of 635.9', NGVD and approximately 2' above the 100-year frequency flood elevation of 636.5', NGVD. The structure will have six (6) 8" x 16" openings and a 32" x 48" opening placed below the bottom floor and within the initial 1' in the crawlspace to allow the passage of floodwaters. The existing trailer will be completely removed. Details of the project are contained in information and plans received at the Division of Water on October 1, 2002 and November 26, 2002.

Location : Along the south (left) overbank; approximately 110' south of Bluegrass Road and 500' west of the east section line
at Sumava Resorts, Lake Township, Newton County
NE¼, SE¼, SE¼, Section 2, T 31N, R 9W, Schneider Quadrangle
Quad Code: 4108724
UTM Coordinates: Downstream 4556500 North, 465430 East

Statute/Rule : Flood Control Act, IC 14-28-1, with the associated Flood Hazard Area Rule, 312 IAC 10

30 Day Public Notice Report

Application # : FW-22120

Stream : St. Joseph River

Applicant : Mark B Linton
54360 County Road 17
Elkhart, IN 46516-5334

Description : A 115' glacial stone retaining wall will be constructed along the eroded bank. The glacial stone will be laid over geotextile fabric. The toe of the retaining wall will be keyed into the river bed at the base and will have a maximum streamward projection of 3'. Details of the project are contained in information and plans received at the Division of Water on October 28, 2002 and November 15, 2002.

Location : Along the north riverbank; beginning approximately 263' south of County Road 8 and continuing upstream approximately 115'
DOWNSTREAM: near Bristol, Washington Township, Elkhart County
SW¼, Section 29, T 38N, R 6E, Bristol Quadrangle
Quad Code: 4108567
UTM Coordinates: Downstream 4617995 North, 594070 East

30 Day Public Notice Report

Application # : FW-22138

Stream : Little Buck Creek

Applicant : City of Indianapolis Department of Public Works
James T Parks
604 North Sherman Drive
Indianapolis, IN 46201

Description : Improvements will be made to an existing wastewater treatment facility along the overbank. The improvements within the floodway will include construction of a wet weather pump station, installation of approximately 1100' of 48" force main, relocation of an existing 42" plant drain, and construction of a return flow structure, new manholes and two new electrical buildings. Details of the project are contained in information and plans received at the Division of Water on November 12, 2002.

Location : Along the left (south) overbank, approximately 3500' upstream (east) of the confluence with West Fork White River
near Indianapolis, Perry Township, Marion County
N½, SW¼, Section 8, T 14N, R 3E, Maywood Quadrangle
Quad Code: 3908662
UTM Coordinates: Downstream 4391115 North, 566445 East

Statute/Rule : Flood Control Act, IC 14-28-1, with the associated Flood Hazard Area Rule, 312 IAC 10

30 Day Public Notice Report

Application # : FW-22140

Stream : Smith Creek

Applicant : GE Plastics Mt. Vernon, Inc.
Dave Perkins
One Lexan Lane
Mt. Vernon, IN 47620-9364

Description : Approximately 60' of the stream's eroded east (left) streambank was stabilized with 350 cubic yards of riprap to protect the bank from further erosion. Details of the project are contained in information and plans received at the Division of Water on November 12, 2002.

Location : The project is located on the west bank of the stream, approximately 3200 feet upstream from the confluence with the Ohio River near Mt. Vernon, Black Township, Posey County NW¼, SE¼, NW¼, Section 24, T 7S, R 14W, Mount Vernon, IN-KY Quadrangle Quad Code: 3708788
UTM Coordinates: Downstream 4195123 North, 417296 East

Statute/Rule : Flood Control Act, IC 14-28-1, with the associated Flood Hazard Area Rule, 312 IAC 10

Application # : FW-22141

Stream : Pleasant Run Creek

Applicant : Calvary Baptist Church
James Tanner
200 Sunset Boulevard
Greenwood, IN 46142-3916

Description : An existing parking lot will be expanded approximately 10' towards the stream for approximately 300' along the overbank. Additional fill will be required for the expansion. The fill will not be greater than 1' in depth in the newly expanded area. In addition, planting islands will be added to the existing parking lot to redefine vehicular traffic. Details of the project are contained in information and plans received at the Division of Water on November 14, 2002.

Location : Along the right (northwest) overbank, approximately 150' downstream (southwest) of the US Route 31 stream crossing at Greenwood, Pleasant Township, Johnson County SW¼, SW¼, SW¼, Section 29, T 14N, R 4E, Greenwood Quadrangle Quad Code: 3908651
UTM Coordinates: Downstream 4386025 North, 575665 East

Indiana Department of Natural Resources / Division of Water

30 Day Public Notice Report

Application # : FW-22147

Stream : Ohio River

Applicant : Indiana Department of Transportation
Carole Korbly Scott
100 North Senate Avenue, Room N642
Indianapolis, IN 46204-2216

Description : The Indiana Department of Transportation (INDOT Structure No. 237-62-6512B) proposes to rehabilitate the existing structure carrying Indiana State Road 237 over the Ohio River. The project is needed to bring all know substandard aspects of the bridge up to current AASHTO guidelines. The existing structure is a 13-span composite, continuous steel girder; steel thru truss-tied arch; composite, continuous steel girder bridge with a clear roadway of 28'. The project limits will extend 93' north, 133' south of the structure. Complete reconstruction of the existing bridge deck will occur only on the Indiana approach spans. Rehabilitation work proposed for the entire bridge will consist of overlaying work, replacement of the expansion joints, railing and drainage features, and the reconstruction of the bridge floor, approach slabs and mud walls. Patching on the structural piers will occur where necessary. The clear roadway of the repaired structure will be 31'-9", which will accommodate two (2), 12' traffic lanes and two (2), 3'-10 1/2" shoulders. No bank or channel work is planned for this project, and all work associated with this project will be conducted above the OHWM. The existing low bridge elevation will not be changed by this project. Details of the project are contained in information and plans received at the Division of Water on November 20, 2002.

Location : At the State Road 237 (Lincoln Trail Bridge) stream crossing
